RHU 2025 WISH LIST

1

Light Up Every Corner with SRHR Services and Information

No corner left dark; no question left unanswered! Imagine SRHR "on wheels" with mobile clinics and outreach storms blitzing communities like never before. Let's make sure EVERYONE gets their SRHR glow-up!

RHU 2025 WISH LIST

2

Sleuthing for Truth: Evidence-Based Programmes

Time to channel our inner detectives! We are diving deep, Sherlock-style, into research to cook up sizzling programmes that WORK.

Data? We are not just collecting it; we are slaying it.

RHU 2025 WISH LIST

3

Unleashing Young Titans of SRHR

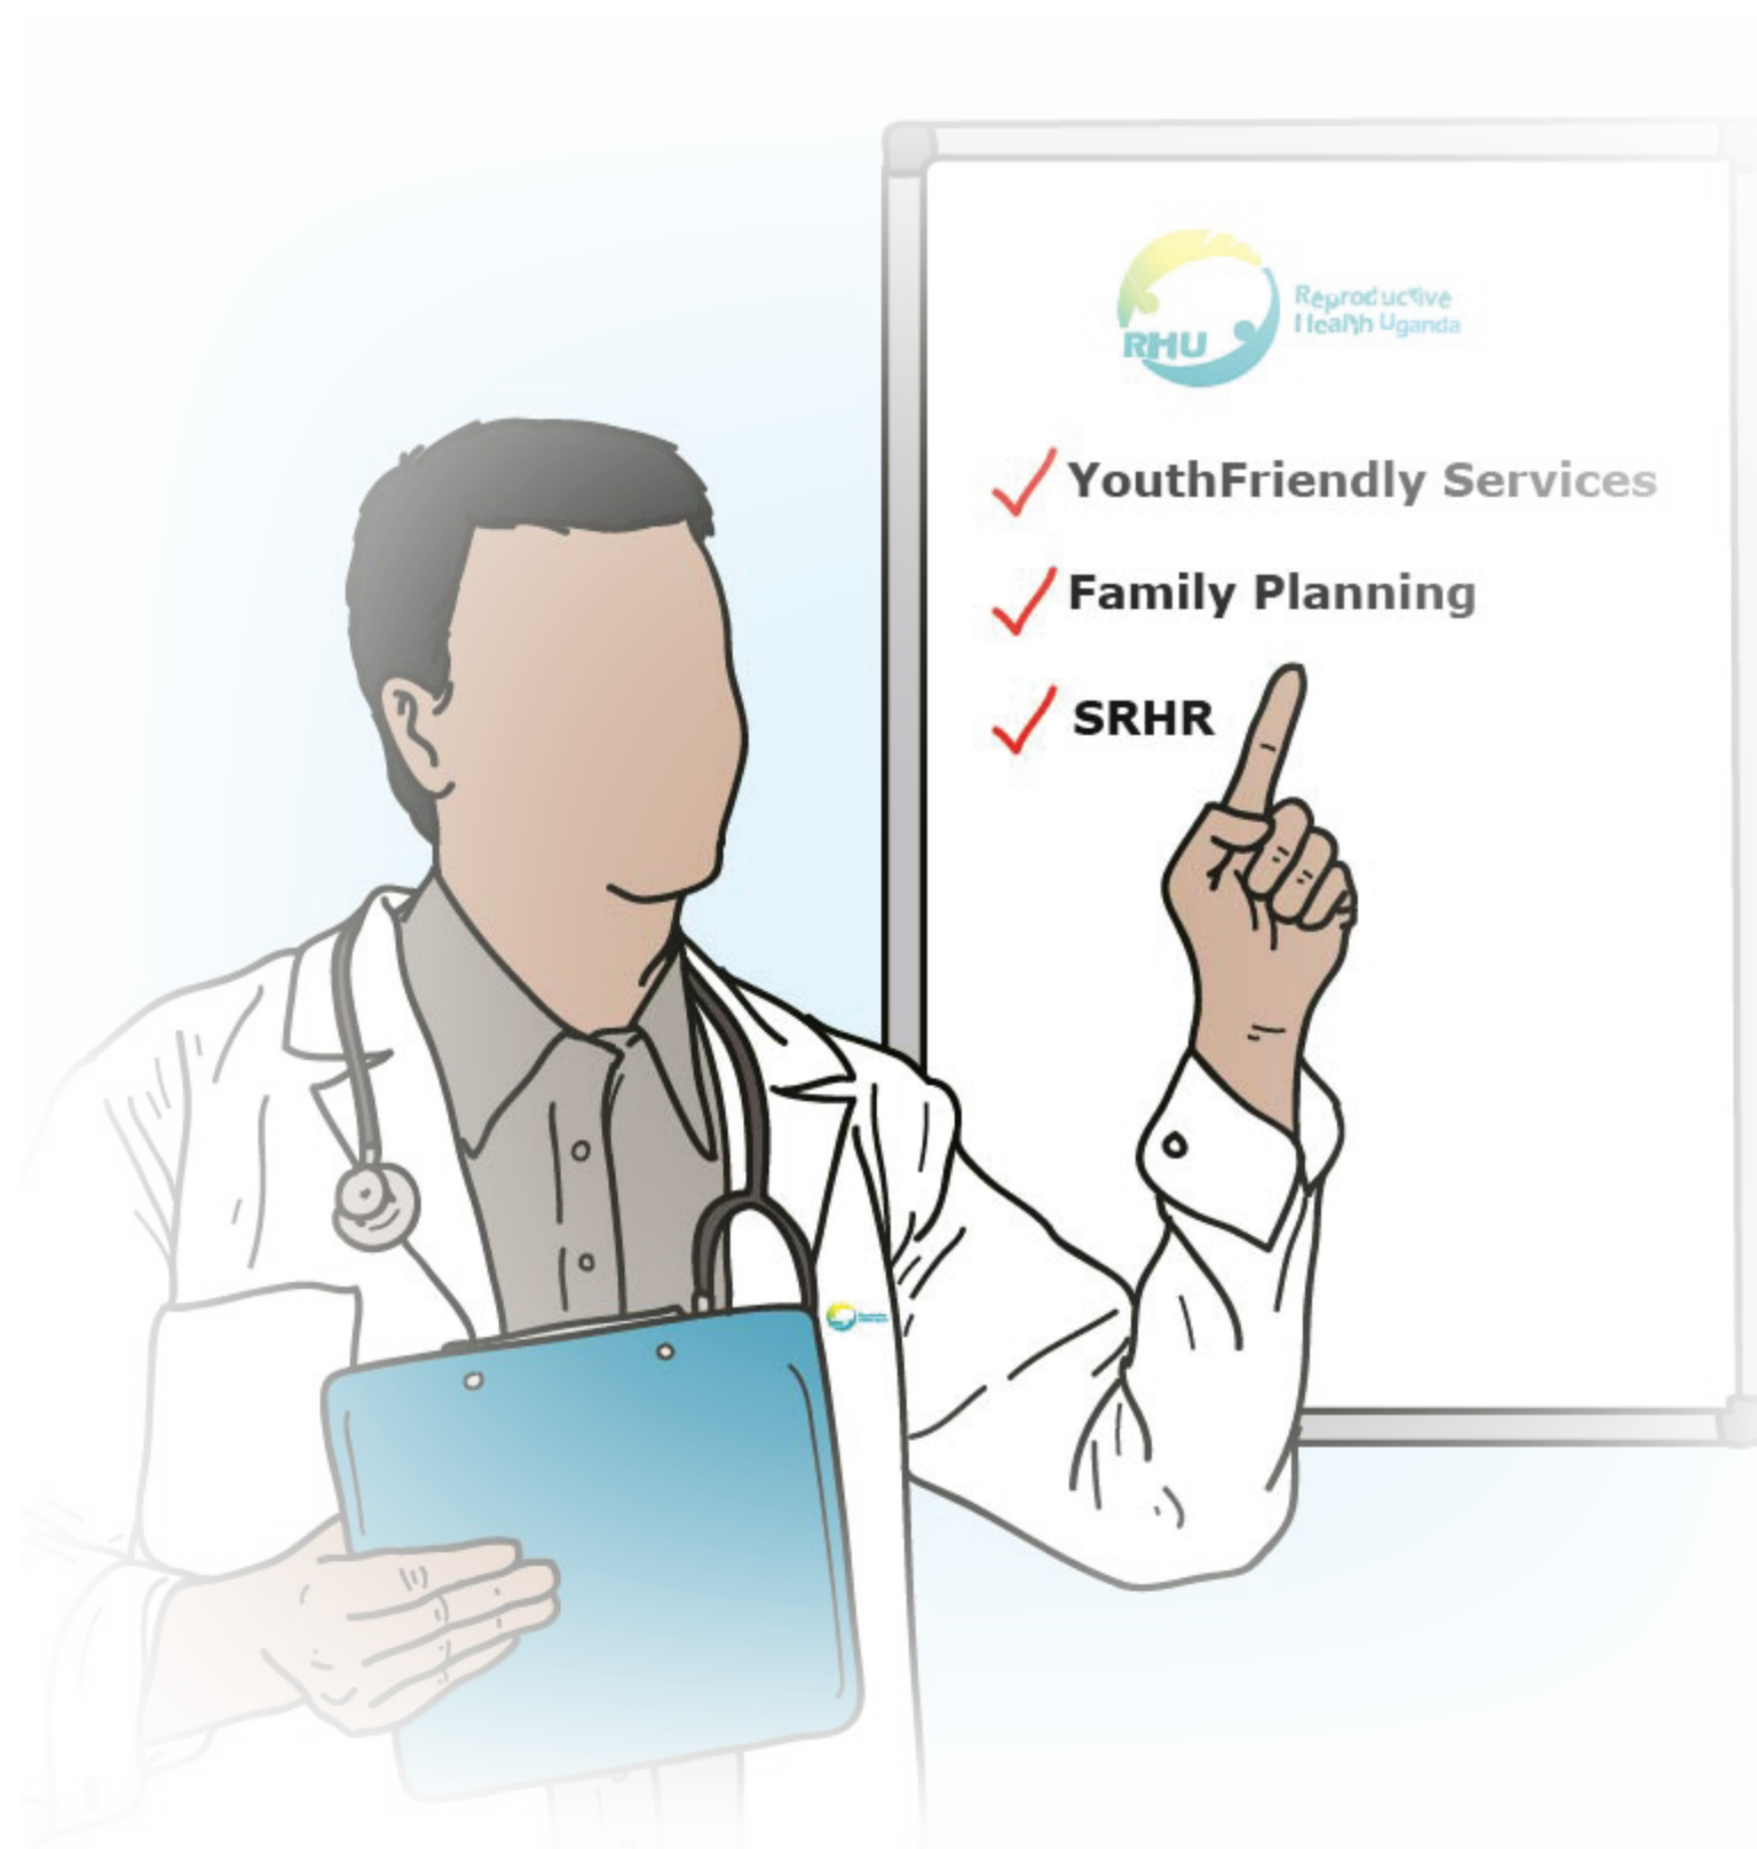

Call it the "Avengers Assemble" of SRHR!

***We are not just educating young people—
we are turning them into rockstars,
mentors, and SRHR warriors who will
rewrite the future.***

RHU 2025 WISH LIST

4

Level-Up: Time for Health Heroes

Think of our health workers as SRHR ninjas in training.

We will arm them with youth-friendly tricks and top-notch skills to make every health facility visit legendary.

Capacity building, and may be certifications? Let's do it!

RHU 2025 WISH LIST

5

Climate Meets SRHR: A Love Story

SRHR ♀♂ Climate? It's the ultimate power couple.

We are fusing SRHR with climate change programming to holistically have a resilient and adaptive eco system to the effect of climate change.

Healthy communities and a thriving planet are the ultimate power duo!

RHU 2025 WISH LIST

6

Going Digital: Swipe Right on SRHR

From social media trends to telehealth triumphs, we are taking SRHR to where the cool kids hang out.

Apps, memes, reels—you name it, we will OWN it. Because, let's face it, going viral for the right reasons is the 2025 vibe.

RHU 2025 WISH LIST

7

Advocacy with Attitude

We are talking mic-drop moments in boardrooms, halls, offices, streets and corridors etc. Armed with hard-hitting research and even harder-hitting passion, we will be the loudest voice in every SRHR conversation.
